

INFORMATION SHEET

ESOPHAGUS (SWALLOWING) / CERVICAL ORGAN X-RAY

Information on the X-ray

Purpose of the examination

Your physician will refer you for an X-ray of your esophagus and cervical organs to clarify possible narrowing or diverticular formation, reflux disease, hiatal hernia and other indications.

Information on the examination

Please make an appointment for this examination and bring the following with you to the examination:

- **E-card and photo ID**
- **Original assignment (it must still be valid)**

We do not perform X-ray examinations on pregnant patients in our practice!

If you are under 14 years old, you must come to the examination accompanied by a parent or guardian or bring a written consent form.

Preparing for the examination

No special preparation is necessary for the examination.
